

## UNLOCKING CUSTOMS OPPORTUNITIES

Since 1991, the ODASCE European Customs Conference is the must-attend event for business and administrations in order to share ideas, break the new and anticipate tomorrow's customs challenges!

**Under the patronage of  
the French Customs**

The 17th edition of the European Customs Conference is dedicated to **innovation** and **positive outlook**.

Our goal: to open up new perspectives to help you facing customs challenges and seize opportunities!

In this game of constantly changing rules, economic instability and geopolitical tensions, you have to always level up in order to keep winning and to take benefit for your company at each level. Join us in this collective adventure, where knowledge, sharing, and collaboration will be the keys to **unlock your customs opportunities**.
